# Accessing The Parent/Student Portal

- In order to get into the new Parent Portal Gradebook you will first have to Register at <https://portal.graniteschools.org> and click on Gradebook Parent Portal registration and follow the steps it takes you through ( there is a guide you can get from your school if needed). Even if you registered last year, you will have to register again.
- Once you set up your user name and password in the portal, in a supported Internet browser, enter the URL:  
<https://gb.graniteschools.org/portal/> or click on the icon for gradebook in your Portal you just set up
- At the portal sign-in:

The screenshot shows the Granite School District Parent/Student Portal sign-in page. At the top, there is a banner with the 'esd' logo (education solutions development, Inc.) on the left, and a photo of a smiling woman and child on the right. Text in the banner includes 'ASSIGNMENT SCHEDULE' and 'ATTENDANCE GRADES'. Below the banner, the text 'GRANITE SCHOOL DISTRICT' is centered. On the left, there is a sign-in form with fields for 'User Name:' and 'Password:', and a 'Sign-in' button below them. On the right, under the heading 'User Assistance', there is a link 'Change Language' which is highlighted with a red rectangle. A red arrow points from this link to a text box on the right side of the page.

You can also change the **Language** you want to read this in by clicking **Change Language** or we will have a guide in Spanish available that will be coming soon.

# For Parent View

- If you are a parent and you have more than one child enrolled in the school district, the Portal displays a list of your children. Click on the underlined name of your child whose information you want to see and it will give you a menu list to the left of the screen to choose from.
